Arla® Cravendale

Arla® Cravendale Milk is Britain's biggest milk brand. Cravendale milk is filtered through ceramic filters for lasting freshness and a cleaner taste. Perfect for baristas, Cravendale guarantees a consistent quality, ideal for creating a delicate, frothy foam in cappuccinos and lattes, with a creamy mouthfeel.

Operational Benefits:

- **Longer Shelf Life Than Standard Fresh Milk:** filtered for freshness to give up to 21 days life unopened
- **Available In A Variety Of Pack Formats:** including 250ml for on-the-go or education
- **Consistent Foaming:** ideal for baristas
- **No Additives Or Preservatives**
