

Arla[®] Pro Instant Whipped Cream

An aerosol whipped cream with a delicate flavour profile, creamy texture and good hold. Perfect for use in a variety of desserts and beverages such as hot chocolates, mochas, waffles, pancakes and desserts.

Operational Benefits:

Ready To Use: instantly adds a light and airy texture and decoration, with desired portion control

Premium Quality & Flavour: made from real cream for a rich, rounded mouthfeel and flavour

Boosts Profitability: great for upselling on dessert menus to increase margins

Convenient Storage & Shelf Life: can be stored at ambient temperature before opening, with UHT treatment for extended shelf life

Suitable For Vegetarians
