

Arla® Pro Oat Barista

Arla® Pro Oat Barista is a plant-based product with a subtle flavour, indulgently creamy texture and familiar mouthfeel. This plant-based milk ensures maximum versatility and delivers high performance across applications. Provides a glossy finish in extra-hot, ice cold drinks and everything in between.

Operational Benefits:

Developed By Baristas: for baristas

Perfect Microfoam & Glossy Finish: foams consistently for silky smooth lattes, flat whites and cappuccinos

Naturally Mild Flavour: subtle taste and familiar mouthfeel, letting coffee take the centre stage

Long Shelf Life: ambient shelf stable

Dairy & Lactose Free: 100% plant based and suitable for vegan and dairy-free diets

Versatile Use: ideal for both hot and cold applications, including making cold foam for iced drinks
